Summary

A passionate and skilled computer science professional with a Bachelor of Science degree. Eager to apply my knowledge of the MERN stack (MongoDB, Express.js, React, Node.js) to build dynamic web applications. Proven ability to teach and communicate complex technical concepts effectively. I am seeking a challenging role to contribute to a collaborative team and grow my expertise as a developer.

Education

Pondicherry University - Pondicherry, India

Bachelor of Science in Computer Science

Graduated: September, 2020

Work Experience

Computer Tutor

DEED, Pondicherry | January 2021 - December 2021

- Taught fundamental computer science concepts and programming skills to students, simplifying complex topics for clear understanding.

- Provided one-on-one and group tutoring sessions, adapting teaching methods to suit different learning styles.

- Evaluated student progress and provided constructive feedback to help them improve their skills.

Skills

- **Programming Languages:** JavaScript, Node.js

- **Web Technologies:** React, Express.js

- **Databases:** MongoDB

- **Tools:** Postman

- **Soft Skills:** Communication, Teaching, Problem-Solving

Projects

ONLINE EVENT MANAGEMENT PLATFORM

- **Technologies:** React, Node.js, Express.js, MongoDB, Postman

- **Description:** Developed a full-stack web application for managing events, including features for event listings, ticket sales, and attendee registration. Implemented a secure backend API to handle user authentication and a responsive frontend for a seamless user experience.

Declaration

I hereby declare that all the information provided in this resume is true, complete, and correct to the best of my knowledge and belief.
